Understanding Amendments Limiting Zero-Rated Supply to SEZ for Authorized Operations

Harshit Jain
(CRO0721800)
CA Final Student

An SEZ unit is like a mini economic powerhouse within a designated area, where businesses enjoy special privileges to turbocharge their growth. It's a hub where companies can set up shop to manufacture goods, provide services, or trade internationally with fewer hassles and more incentives. SEZ (Special Economic Zone) refers to designated geographical areas in a country that offer special incentives and streamlined procedures to promote economic growth and attract investments. Benefits include tax exemptions, duty-free import of goods, simplified regulatory processes, and infrastructure support along with before under GST Law. Till September 2023, Section 16 of Integrated Goods and Services Tax Act 2017 (IGST Act), provides that supply of goods or services or both to an SEZ unit or SEZ developer would be considered as 'Zero rated supply' and enables the SEZ units or developers to procure goods or services from Domestic Tariff Area (DTA Unit) without payment of GST.

Section 16 of IGST Act 2016 were amended through Finance Act 2021 and such amendments were made effective from 01 October 2023. From October 2023 onwards, Section 16 of IGST Act provides that Supplies to SEZ Unit or SEZ developer for Authorised Operations would be considered as "Zero rated Supplies". Post amendment, it becomes crucial for supplier to check that supplies made to SEZ unit are meant for "authorised operation" only. Otherwise, supplier may lose the benefit of making Zero rated Supply.

"A registered person can make zero rated supply with payment of Tax and claim refund of tax paid or can make zero rated supply without payment of Tax under Bond or Letter of Undertaking (LUT)."

Note that supplier must furnish Letter of undertaking for each financial year when required to make zero rated supply without payment of tax.

To ensure compliance of Section 16 along with above amendment, it is advisable for supplier of goods or services to ensure that supply to SEZ are only meant for authorised operation by following below procedure:

- Obtain Letter of approval from SEZ Unit

SEZ unit receives Letter of approval from SEZ authority on approval of the proposed project. Each operation undertaken by the SEZ unit is mentioned in the letter of approval of the SEZ unit. In other words, all authorised operations of the SEZ unit approved by the SEZ authority are mentioned in the LOA.

The supplier can obtain such a copy of the LOA from the SEZ unit to verify the list of authorised operations of the recipient of goods or services (SEZ Unit).

• **Approval / Endorsement of good and services invoices form Specified Officer as appointed under SEZ Act.**

As per SEZ Act 2017, any goods or services received by SEZ unit from DTA are required to endorsement / approval of invoices of goods or service by SEZ authority. SEZ authority has introduced a 'DTA Procurement Form' (DPF) and 'DTA Services Procurement Form' (DSPF) to be used for endorsement/approval of goods and services invoices through SEZ Online portal.

Recipient (SEZ unit) is required to upload invoice along with DPF and DSPF in case of goods and services respectively on SEZ online portal. The same is required to be approved by concerned officer of SEZ Authority. And mail of approval is received by both DTA (Supplier) and SEZ unit (Recipient).

In case, such invoice is rejected by concerned officer, such supply to SEZ unit may not be considered as supply meant for authorised operation of SEZ unit and ultimately may not be considered as Zero-rated Supply under IGST Act 2017.

It is suggested to maintain records of all the approved invoices along with Data Procurement form and Data Service procurement form for goods and serviced respectively for the supplies made to SEZ unit. And maintain record of invoices not approved yet or not submitted for approval by SEZ unit to SEZ authority.

• **Declaration from the SEZ unit stating that goods or services are being purchased/availed is for authorized operation.**

Additionally, supplier may obtain declaration in writing from recipient of goods or services (SEZ Unit/ SEZ developer) stating that such goods procured or services availed are meant for authorised operations of SEZ unit.

• **Declaration/Endorsement required to be mentioned in Tax invoice under Rule 46 of CGST Rules 2017.**

Supplier must mention declaration/endorsement above in Tax invoice issued to SEZ unit along with ARN of LUT for concerned financial period.

"SUPPLY TO SEZ UNIT OR SEZ DEVELOPER FOR AUTHORISED OPERATIONS ON PAYMENT OF INTEGRATED TAX."

or

"SUPPLY TO SEZ UNIT OR SEZ DEVELOPER FOR AUTHORISED OPERATIONS UNDER BOND OR LETTER OF UNDERTAKING WITHOUT PAYMENT OF INTEGRATED TAX."

It is advisable to follow procedure mentioned above. Further, non-compliance of section 17 of IGST Act 2017 would result in discharge of tax on such Supply to SEZ Unit, if such supplier may not / fails to prove that such supplies are meant for authorised operation only.

To address and overcome the possible challenges arising from the above amendments, the DTA units (Supplier) involved in effecting supplies to SEZ should appropriate practices, proper documentation and processes to comply with the amendments to mitigate the risks of any future tax demands or refund rejections.

ICAI EMBLEM

The ICAI Logo was conceptualised by great Nationalist Philosopher Sri Aurobindo Ghosh: "When the Institute was formed in the year 1949 in the month of July, C.S. Shastri, a noted Chartered Accountant of Madras went to Sri Aurobindo and requested him through a letter to give an emblem to the newly formed Institute of which he was an elected member from the South.... Sri Aurobindo gave him the emblem with a Garuda in the center and a quotation from the Upanishad (Kathopanishad): Ya esa suptesu jagarti, that person who is awake in those that sleep. The emblem was placed at the first meeting of the Council of the Institute in New Delhi on 15th August, 1949 and was accepted amongst many other emblems placed by other members of the Council. So, that became the emblem of the Chartered Accountants of India.

Significance of 'Garuda' in the ICAI Logo

The Garuda, vahana of Lord Vishnu, is the mascot of chartered accountancy profession. The emblem of the Institute of Chartered Accountants of India (ICAI) has Garuda in the centre and a quotation from the Kathopanishad- Ya esa suptesu jagarti, which translates to 'person who is awake in those that sleep'. The choice of Garuda in the ICAI emblem derives its significance from the inherent and symbolic resemblance in qualities of Garuda and Chartered Accountants. As true professionals, it is imperative to have the infinite qualities of the mystic Garuda, who cuts the knots of ignorance. Here, we bring to you the relevance of choosing Garuda in the CA emblem which is intricately connected to the CA professionals:

ICAI EMBLEM

Wisdom:

In one of his quotes, Sri Aurobindo emphasised that there are two allied powers in man, knowledge and wisdom. Garuda stands for wisdom. As we know, CAs being equipped with the power of knowledge combined with wisdom to think in line with the emerging times have eminence of being change makers of the economy as well as the society.

Devotion and Swiftiness:

Garuda is an ardent devotee in service of Lord Vishnu. He swiftly serves the Lord in his mission to rescue Lord's devotees in distress. Similarly, Chartered Accountants serve the nation swiftly by being an active partner in nation building. CAS stands for commitment and assurance.

Sharp Vision:

Garuda has a powerful and sharp vision. Similarly, Chartered Accountants have an eye for detail and perfection. They have a foresighted vision. This vigilant and intuitive streak coupled with knowledge, makes for a true far sighted professional..

Wings of Fire:

Garuda, is a high-flier. He aims and soars high with its outstretched wings like Chartered Accountants who focus on excelling professionally as well as socially. They have the potential to scale highest altitudes.

Industrious:

Garuda demonstrates unflagging vitality. Similarly. Chartered Accountants work with enthusiasm and energy. Garuda represents valour. CAs are courageous, work tirelessly and are instrumental in the growth of nation's economy.

ICAI EMBLEM

Speed: Garuda keep pace with the changing winds, so does Chartered Accountants with the changing times. CAs adjust the sails of their work in tune with the changing economic environment. They are swift to adapt the pace to meet the requirements of their clients, across all economic frontiers.

Leadership: Garuda is steadfast and determined. So, are the chartered accountancy professionals, converting challenges into opportunities. With steadfast leadership qualities, CAs are scaling newer heights of success.

THE IMAGE OF SUCCESS

Success is a consequence of toil. Not only it takes water and food to make success,
But it also requires soil,
A child although an effeminate creative is expected to reach The Spice,
He falls, rises and starts but no one to inspire Sometimes the perpetual
force speaks clearly, Transform your Dreamland in reality.
But then the factors of success get effaced. That achievement is only
feasible when,
Labour is coupled with the fate. A person must not forget that.
Success is truly treacherous, As success is the paramount variable. That
forms an unannounced equation of life. Get into the ocean of life and,
Experience the values and morals of life.
And then we come to sequel that, Our success was a Glitter and not the
Gold.

POETRY FOR THE MONTH

**Under the blue sky,
where the birds dance,
My hopes lie there,
waiting for a chance,
The sun shines brighter,
and so my hopes,
to fly to a place,
where the peace takes shelter,
and love is in the air,
the mornings filled with happiness
and gardens with flowers which are rare
I wonder if my dream would come true? Cause...such
places are very few,
Still my hopes will grow taller and touch the moon, like a
butterfly, to spread colors, comes out of a cocoon,
Dreaming in my own world,
I came to know,
that I am late to my flight
and I need to go.**

GURU PURNIMA

In India, a teacher is referred to as Guru (meaning the one who eliminates ignorance). Therefore, teachers and mentors hold a special place in a person's life. The Purnima Tithi in the month of Ashadha is dedicated to the Guru Shishya parampara, as it marks the birth anniversary of Maharshi Veda Vyasa, the author and one of the characters of the great Indian epic, Mahabharata. As people gear up to celebrate Guru Purnima by paying ode to their teacher, take a look at the Sanskrit shlokas/ verses shared below that beautifully explain the contributions of the Guru.

गुरुर्ब्रह्मा गुरुर्विष्णुः गुरुर्देवो महेश्वरः ।
गुरुः साक्षात् परं ब्रह्म तस्मै श्री गुरवे नमः ॥

Guru Brahma Gurur Vishnu Guru Devo Maheshwaraha
Guru Saakshat Para Brahma Tasmai Sree Gurave Namaha

Guru is Lord Brahma, Guru is Lord Vishnu and Guru is Lord Maheswara (Shiva).
Guru is verily the Supreme God. I offer my salutation to such a Guru.

ॐ सह नौ ववतु,

Om, May the God protect us both (Teacher and Disciple); May the God nourish us both; May we work together with energy & vigour; May our learning be enlightening and fruitful; May not give rise to hostility.

to remember.

When I first heard about the national conference organized by ICAI, I was skeptical. As a CA student, I wasn't aware that ICAI conducted such activities. However, as the event unfolded, it slowly started to become fun. Volunteering gave me the chance to meet some amazing people, and I made good friends along the way. It felt like being back in school, with our voices being heard and valued. Those two days of the conference were definitely character-defining moments for all of us. After the event, I feel closer to ICAI and now see myself as an integral part of it.

सर जो तेरा चक्राये या GST, DT, AI समझ ना आए
आजा प्यारे पास हमारे काहे घबराये, YANTRA MANAS तुझे ले जाए"

29th and 30th June 2024, one of the strongest networked National CA students Conference 2024 based on the theme YANTRA MANAS was hosted by the AHMEDABAD BRANCH of WICASA with over 2650+ future Chartered Accountants.

Basically my registered office is at GJ 12 "Kachchh" but my place of supply is GJ 1 "Ahemdabad" just 15 days before the conference, but the way WICASA Ahmedabad have welcomed me with an overwhelming support was come to the rescue for me.

Endeavoring the opportunity of being Master of Ceremony for the Sunday opening session to being the crowd work Volunteer Team Wicasa Ahmedabad made it through all. With the great advent of chief guest CA Sunil Talati Sir to the amazing Motivational and Technical speakers, a revolution of mastery occurred in me and the cultural event with Girish Chawla was cherry on the cake.

As rightly said "YANTA MANAS" - The control tool to influence the human mind, I packed the knowledge and connections in my suitcase of this life's episode. I just updated my dictionary of knowledge and crossing my fingers to regularly update it with Ahmedabad WICASA with aspiring CA's and reach altitudes of success.

Special thanks to CA Rinkesh Shah, CA Sunit Shah and all the MCM of WICASA Ahmedabad for hosting this fair of immense knowledge and skills.
